SENATE BILL

No. 126

Introduced by Senator Runner

January 31, 2005

An act to amend Section 53158 of, and to add Section 53152.3 to, the Government Code, relating to emergency services.

LEGISLATIVE COUNSEL'S DIGEST

SB 126, as amended, Runner. Emergency services: liability.

Under existing law, it is a crime for any person who, while operating a motor vehicle and with the intent to evade, willfully flees or otherwise attempts to elude a pursuing peace officer's motor vehicle, if certain conditions exist. Additionally, it is a crime if a person flees or attempts to elude a pursuing peace officer and the pursued vehicle is driven in a willful or wanton disregard for the safety of persons or property. It is also a crime whenever willful flight or attempt to elude a pursuing peace officer causes death or serious bodily injury to any person.

This bill would impose liability, not to exceed \$12,000 per incident, upon any person who is convicted of violating any of the above described provisions and whose actions proximately cause any incident that results in an emergency response, for the expense of the emergency response by a public agency. *The bill would provide that a public agency would not receive reimbursement pursuant to these provisions until after restitution has been made to any victim of the incident.*

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

13 *been made to any victim or victims of the incident.*

14 SEC. 2. Section 53158 of the Government Code is amended
15 to read:

16 53158. It is not the intent of the Legislature, in enacting this
17 article, to occupy the field of recovery of the expense of an
18 emergency response by a public agency, nor is it the intent of the
19 Legislature to preempt local regulations or to otherwise limit the
20 remedies available to any public agency to recover the expenses
21 of an emergency response to any incident not involving persons
22 who operate a motor vehicle, a boat or vessel, or a civil aircraft
23 while under the influence of an alcoholic beverage or any drug,
24 or the combined influence of an alcoholic beverage and any drug,
25 or to any incident not involving a person convicted of violating
26 subdivision (a) of Section 2800.1 of, or Section 2800.2 or 2800.3
27 of, the Vehicle Code. It is the intent of the Legislature that the
28 recovery of the expenses of an emergency response under this
29 chapter shall supplement and shall not supplant any other
30 provisions of law relating to the recovery of those expenses.
